

Culligan® Solutions for Your Entire Home.

For about the cost of a store-bought bottle of water, you can enjoy all the benefits of Culligan water throughout your entire home. From soft, conditioned water to the highest quality drinking water, a Culligan Water System will make your life easier and your tap water the best it can be.

Culligan Softened Water

- Reduces hard water spots
- Reduces corrosive build-up on pipes
- Makes skin and laundry feel softer

Culligan Drinking Water

- Filters out up to 99.9% of impurities†
- Reduces odors and chlorine taste
- Better tasting coffee, tea, and juices

HEY CULLIGAN MAN!®

Culligan Dealers are independently operated. Participation may vary. This is a limited offer. *Satisfaction guarantee offer valid on products sold for residential use. You must notify your participating Culligan Dealer of your decision to return the product no later than 30 days after your date of installation. †Impurities may not necessarily be in your water. Soft Water and Drinking Water service can include re-conditioned or entry level equipment. Additional installation fees may apply for unusual or abnormal circumstances. Photos include Solution B and C equipment. Customer is responsible for any required permit fees and/or additional materials needed to meet local plumbing codes. Nominal deliveries fees may apply for salt delivery.
